

UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF NEW JERSEY

In the matter of,
AMSELFILMS PRODUCTIONS,
Plaintiff,
vs.
JOHN DOES 1-997, etc.,
Defendants.

CASE NO. 2:12-cv-3864-FSH

JOHN DOE'S MOTION TO
QUASH SUBPOENA

RECEIVED
OCT 05 2012
AT 8:30
WILLIAM T. WALSH, CLERK

Defendant John Doe with IP address 66.229.251.217
(hereinafter referred to as "John Doe") files his Motion To Quash
Subpoena served on Comcast, and states:

Plaintiff's Subpoena served on Comcast is overly broad and
violates John Doe's due process rights and right to privacy rights
guaranteed by the United States Constitution. To date, not only
has Plaintiff failed to provide John Doe with a copy of the
Complaint which alleges wrongdoing, Plaintiff has made no showing
that John Doe or any of the other identified John Does have done
anything worthy of subjecting his personal information to scrutiny
by Plaintiff.

John Doe requests that the Court require Plaintiff to make
some showing at an evidentiary hearing that it has any evidence of
wrongdoing by John Doe or the other John Does to justify such an
intrusion. While discovery is broad in federal civil cases,
Plaintiff's current subpoena is simply a fishing expedition and

should not be allowed until such time as John Doe and the other John Does are apprised of Plaintiff's claims against them and Plaintiff proves, by some modicum of evidence in an evidentiary hearing, that they should be haled into Court in New Jersey.

Respectfully submitted,

John Doe c/o
